

**The Avalon Bookings Manager Software and Services Price List** 05/14

The Avalon program will run on any computer or lap top running the Windows Operating System. Our prices are intended to make the program affordable for all sizes of boarding kennel, cattery or other animal boarding services.

Choose the licence you require, according to the number of runs or pens that you wish to manage through the bookings program. If you expand your business you can upgrade to the next category by paying the difference.

If you want to run the Avalon program on two or more computers you will need to buy a first licence and then additional licences for the other computer/s where it is to be used.

<b>No of Runs or Pens you operate</b>	<b>First Licence Charge for one software licence (this is a one-off charge ) We do not charge VAT</b>	<b>Additional software licences (see remarks above)</b>	<b>Annual Software Support Service – This provides access to our help line and new releases of the program.
